## About Stefan Racing

Stefan's personal belief in the discipline of sport is reflected in his own participation and constant sponsorships of various Queensland sporting activities. Next to his business, Stefan's long time passion has been his involvement in the Offshore Powerboat Racing in his huge pink powerboat

## Stefan thrashes Bass Strait!

He has reigned as Australian Offshore Champion on many occasions and holds the record for crossing the Bass Strait - which took just 5 hours and 36 minutes. Stefan's boat is powered by two 1350 horsepower engines and is capable of speeds of 285km per hour. "It feels like a areoplane - it can fly!" says Stefan.
